

ANYTOWN

What youth participants say about ANYTOWN 2013

"You come in thinking you won't be impacted. You come in thinking five days couldn't change you. You come in thinking you're already accepting of others. You leave impacted. You leave wishing for a longer time. You leave changed and determined to spread the word."

"I feel that I have gained the ability to change others' opinions and beliefs on all kinds of stereotypes in today's society. I can change society's views through ANYTOWN methods."

"ANYTOWN not only changed my life, I will make sure it changes us all."

"You have to go. I don't know how but it really works."

"The program is eye opening. It sheds light on the hardships of others, and helps teach you how to better your community."

"You will never be the same again."

"ANYTOWN provides an environment for those who are black, white, yellow, poor and rich, religious and atheist, to create one society, which models the importance of co-existence."

"If you want to make a change in the world, go to ANYTOWN."
