### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The National Conference for Community and Justice of the Piedmont Triad, Inc. as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **NOTES TO FINANCIAL STATEMENTS**

For the Years Ended June 30, 2017 and 2016

### **(1) Nature of Operations**

The National Conference for Community and Justice of the Piedmont Triad, Inc. ("NCCJ") was incorporated on August 3, 2005 as a nonprofit human relations organization dedicated to fighting bias, bigotry and racism. NCCJ promotes understanding and respect among all races, religions and cultures through advocacy, dialog and education in North Carolina.

### **(2) Summary of Significant Accounting Policies**

(a) **Method of Accounting** - NCCJ uses the accrual method of accounting whereby revenues are recorded when earned or awarded, and expenses are recorded as incurred. Net assets are classified as unrestricted, temporarily restricted, or permanently restricted based on donor imposed restrictions, if any.

(b) **Revenues** - Campaigns, grants and contributions of cash and other assets are reported as temporarily or permanently restricted net assets if they are received with donor restrictions that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Contributions received with donor restrictions that are satisfied in the same year as received are classified as unrestricted assets in the statements of activities.

Unconditional promises, or pledges, to give (contributions) are recognized as revenues in the year received and as assets or decreases of liabilities, depending on the form of the benefits received. Donor-restricted pledges are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions.

(c) **Cash** - NCCJ maintains its cash at two financial institutions. The accounts at these institutions are insured by the Federal Deposit Corporation up to \$250,000. Whenever cash balances exceed the amount insured, there is a risk of monetary loss.

(d) **Pledges Receivable** - Pledges receivable represent valid pledges and are reported at their estimated net realizable value. The majority of pledges receivable are due from corporations, foundations and individuals who, historically, have reliable giving histories with NCCJ. Due to the uncertainties in the current economy, it is at least reasonably possible that all pledges will not be collected and if certain amounts are deemed uncollectible by management, they would be charged to expense when that determination is made. No allowance for uncollectible pledges has been provided based on management's evaluation of potential uncollectible pledges receivable at June 30, 2017 and 2016.

(e) **Deferred Revenues** - Deferred revenues are income for the annual Citation Dinner, Anytown camp fees and other school fees and are recognized in the period to which the expenses relate.

## NOTES TO FINANCIAL STATEMENTS For the Years Ended June 30, 2017 and 2016

- (f) **Office Furniture and Equipment** - Office furniture and equipment are stated at cost unless contributed in-kind, then an estimate of fair value is determined. Depreciation is computed by the straight-line method over the estimated useful lives of the assets, generally five to ten years. All replacements, maintenance and repairs and minor renewals and betterments less than \$500 are expensed. Major renewals and betterments are charged to office furniture and equipment. Upon disposition or retirement of an asset, the cost and accumulated depreciation is removed from the accounts and any gain or loss is reflected in the statements of activities.
- (g) **Donations In-Kind** - If services, supplies and other assets are donated they are recognized at their estimated fair market value and are capitalized if necessary or expensed as utilized. Such amounts, which are included in the accompanying statements of activities, totaled \$71,728 and \$55,541 for the years ended June 30, 2017 and 2016, respectively.

The donated services, supplies and other assets were allocated among the following categories:

	<u>2017</u>	<u>2016</u>
Citation Dinner	\$ 42,706	22,651
Anytown	27,568	28,966
Youth Programming	1,400	3,039
General and administrative	40	725
Adult Programming	<u>14</u>	<u>160</u>
Total	<u>\$ 71,728</u>	<u>55,541</u>

A substantial number of unpaid volunteers have made significant contributions of their time to NCCJ's programs and supporting services. The value of this donated time is not reflected in the financial statements since it is not susceptible to objective valuation.

- (h) **Functional Allocation of Expenses** - The costs of programs and supporting services are reported on a functional basis in the statements of activities. This requires the allocation of indirect costs among the various programs and supporting services based on estimates made by management.
- (i) **Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## **NOTES TO FINANCIAL STATEMENTS For the Years Ended June 30, 2017 and 2016**

---

- (j) **Income Taxes** - NCCJ is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by NCCJ and recognize a tax liability or asset if NCCJ has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. NCCJ is not currently under examination for any tax periods. NCCJ, by expiration of the statute of limitations, is generally no longer subject to examination by taxing authorities for the fiscal years ending June 30, 2013 or earlier.

### **(3) Fair Value Measurements**

NCCJ utilizes fair value measurements to record certain assets and liabilities and to determine fair value disclosures. Fair value is the amount that would be received to sell an asset, or paid to settle a liability, in an orderly transaction between market participants at the measurement date. Professional standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable and Level 3 inputs have the lowest priority and are unobservable inputs of market activity.

The endowment fund is invested in marketable securities and its value is determined based on quoted market prices in active markets. However, the endowment fund is held by a third party, the Community Foundation of Greater Greensboro ("CFGG"), and is included in investment pools with other funds held by CFGG. Since the value of the underlying investments is not readily available to NCCJ, which is the trustee, the endowment fund has been classified as a Level 2 asset.

### **(4) Endowment Fund**

NCCJ follows the Uniform Prudent Management of Institutional Funds Act of 2006 ("UPMIFA") as enacted by the State of North Carolina on March 19, 2009 ("SPMIFA") and its own governing documents.

The Board of Directors of NCCJ has interpreted the enacted versions of SPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. As a result of this interpretation, NCCJ classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

## NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2017 and 2016

Under the terms of the agreement, CFGG manages the fund to protect the value of the principal. The endowment was established with permanent restrictions to ensure that resources would be available to provide for the purposes of NCCJ in perpetuity. On an annual basis, CFGG makes a distribution calculated by multiplying the target payout percentage, as determined by CFGG, times the average of the fair market value of the endowment on the following five dates: the first business day of the year and the last business day of each quarter. The distributions are unrestricted and available for NCCJ's discretion. NCCJ can withdraw all or a portion of the endowment provided that a majority of the governing boards of NCCJ and CFGG approve of the withdrawal.

Changes in endowment fund net assets for the years ended June 30, 2017 and 2016 were as follows:

	Temporarily Restricted	Permanently Restricted	Total
Endowment fund net assets, June 30, 2015	\$ 14,454	51,443	65,897
Investment returns:			
Interest and dividends	1,559	-	1,559
Net realized and unrealized gains (losses)	(4,367)	-	(4,367)
Total investment returns	(2,808)	-	(2,808)
Contributions	-	1,070	1,070
Distributions	(2,480)	-	(2,480)
Investment fees	(839)	-	(839)
Endowment fund net assets, June 30, 2016	8,327	52,513	60,840
Investment returns:			
Interest and dividends	1,418	-	1,418
Net realized and unrealized gains (losses)	7,862	-	7,862
Total investment returns	9,280	-	9,280
Contributions	-	350	350
Distributions	(2,519)	-	(2,519)
Investment fees	(876)	-	(876)
Endowment fund net assets, June 30, 2017	\$ 14,212	52,863	67,075

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or SPMIFA requires NCCJ to retain as a fund of perpetual duration. These deficiencies result primarily from unfavorable market fluctuations that occur during the year.

The value, liquidity and related income of the securities held by the endowment fund is sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

## NOTES TO FINANCIAL STATEMENTS For the Years Ended June 30, 2017 and 2016

### (5) Retirement Plan

NCCJ has a Simple IRA plan which covers all employees meeting certain eligibility requirements. The plan provides that NCCJ will match dollar for dollar an employee's contribution to the plan at the rate of up to 3% of an employee's compensation. NCCJ contributed \$5,298 and \$4,981 to the plan for the years ended June 30, 2017 and 2016, respectively.

### (6) Lease Commitments

NCCJ has a non-cancelable lease for office space through May 2018 with current monthly payments of \$1,578. NCCJ has an operating lease for office equipment and services for \$318 per month through April 1, 2020.

Estimated future minimum lease payments as of June 30, 2017 are as follows:

	<u>Building</u>	<u>Office Equipment</u>
For the fiscal year ending June 30, 2018	\$ 17,358	3,816
2019	-	3,816
2020	<u>-</u>	<u>2,862</u>
Total estimated future minimum lease payments	<u>\$ 17,358</u>	<u>10,494</u>

Total rent expense for the years ended June 30, 2017 and 2016 was \$23,233 and \$23,093, respectively.

### (7) Board Designated Funds

NCCJ's Board has designated Claudette Burroughs-White memorials to be used in specified NCCJ programs. The designated funds as of June 30, 2017 and 2016 were \$10,625 and \$5,725, respectively.

### (8) Recent Accounting Pronouncements

In August 2016, the Financial Accounting Standards Board ("FASB") issued ASU No. 2016-14, *Not-for-Profit Entities (Topic 958), Presentation of Financial Statements of Not-for-Profit Entities*. This ASU eliminates the distinction between resources with permanent and temporary restrictions from the face of financial statements. Instead, the ASU requires presentation of two classes of net assets – net assets with donor restrictions and net assets without donor restrictions. The update also requires enhanced disclosures for a number of areas. The amendments in this update are effective for annual financial statements issued for fiscal years beginning after December 15, 2017, with early application of the amendments permitted. Management is currently assessing the impact of this update on NCCJ's financial statements.
